• **ACADEMIC information**

Credits	1 credit = 15 hours for classes (undergraduate studies; for other cases, please ask). For ECTS users: hours per credit at UFPB only takes into consideration in-class work, regardless of the time necessary for the completion of academic goals (self-study reading, preparing presentations, etc.). Thus, a 3-credit course comprises 15 weeks x 3 hours of class per week (45 hours total) that can be used for instruction, seminars and tests.
Exams	Evaluation is done through tests, papers, essays, works, and/or seminars, to be done/taken/presented <u>during the academic semester</u> . Students who do not achieve the 7.0 passing grade (out of 10.0) are entitled to one final exam (per each course enrolled) to take place right after the end of classes. For this reason, it is also possible to pass a course with an average from 5.0 to 6.9 (upon taking the final exam).
Language of Instruction	Portuguese, in all undergraduate courses. Some graduate courses may be delivered in a foreign language at the professor’s discretion if all enrolled students agree. This information must be checked at the Graduate Program of interest.

Portuguese language proficiency requirements for undergraduate foreign students	CEFR – B1. As of June 2014, any Certificate or Statement issued by a qualified examiner/professor of Portuguese will suffice to prove Language Proficiency. However, the student is fully responsible for corresponding to the level stated in such certificate/statement, and being able to follow courses in Portuguese.
Portuguese classes	Portuguese classes are offered free of charge in Campus I (João Pessoa) to all foreign students registered at UFPB, by PLEI (<i>Programa Linguístico Cultural para Estudantes Internacionais</i>) Classes usually go together with the academic semester of Campus I. Week 1: placement test + registration. Week 2 on: classes. More Information at www.cchla.ufpb.br/plei Note: courses taken at PLEI are not shown at the Academic Transcript. Students will receive a Certificate by the end of the semester. Note: PLEI will not allow students to join courses after the second week of classes, except in special cases when previously informed.
Date of arrival	International students are advised to arrive in the city at least one week before classes start for initial procedures.
Orientation	We have no orientation week or session for all the incoming students together, but we offer the relevant information individually to every student who checks in at our office. Students can find most of the information they will need upon their arrival at UFPB and our city in a file that can be downloaded from https://www.ufpb.br/acieng/contents/menu/mobility-incoming/upon-arrival
Course Offers	Instructions on how to search for courses/classes to prepare a learning agreement can be found at https://www.ufpb.br/aci/contents/menu/programas/incoming/disciplinas (in Portuguese) or at https://www.ufpb.br/acieng/contents/menu/mobility-incoming/course-offers (in English)
